APPENDIX SPECIAL PARK CONDITIONS:

For Land Based Guided Day Hiking

The Permittee and employees registered under this Permit will exercise this privilege subject to all of the following Specific Conditions:

1. **Definition of Services Authorized Under This Permit:** The Guided Day Hiking Commercial Use Authorization (CUA) consists of providing guided day hiking trips by escorting visitors/clients to destinations on Buffalo National River while maintaining a required continuous presence at all times with the visitors/clients as specified below:
 - a. The Permittee, or registered employee(s), of the business will maintain the required continuous presence with the visitors/clients during trip.
 - b. The terms and conditions of this Permit apply to guided day hiking trips regardless of compensation or lack thereof.
 - c. Shuttle services for clients' vehicles are not authorized under this Permit. All shuttle services must be provided by a Buffalo National River Canoe Concessioner. A list of current concessioners is available at <http://www.nps.gov/buff/canoe-rentals.htm>
 - d. All trips within park boundaries must be conducted utilizing "Leave No Trace" principles. Permittees are responsible for ensuring that all guides working for them under this permit are knowledgeable of the Leave No Trace principles which can be found online at <http://lnt.org/learn/7-principles>.
 - e. Permittee will file a trip plan with the Midwest Region Ozark Communication Center (MROCC) prior to trip. Trip plan must include name of Permittee, name of guide, number of people on trip, and date and locations in park. Trip plan can be filed with MROCC via telephone (888-692-1162), via fax (870-741-5667), or via email (BUFF_Dispatch@nps.gov). Failure to file a trip plan with MROCC may result in suspension or revocation of the CUA.
 - f. When operating within the park boundaries, the Permittee and registered employee(s), when approached by any NPS Park Ranger must announce that they are an authorized hiking guide.
 - g. Permittee must inform the National Park Service within 24 hours when an employee (those working under this permit) is added or is no longer an employee of the business.
 - h. Proof of authorization approval must be with the Permittee and their employees when operating in the park unit. A copy of the signature page is acceptable and must be presented to any park employee on demand.

- i. This authorization does not authorize the Permittee to advertise, solicit business, collect any fees, or sell any goods or services on lands owned and controlled by the United States. The authorization is for the incidental use of park area resources by operations that provide commercial services originating and terminating outside of the park unit (or within an inholding).
 - j. The Permittee shall inform clients of the general park regulations and safety concerns before beginning trip.
2. **Trip Specifics:**
 - a. Hiking groups are limited to no more than twelve (12) persons, including guide(s).
 - b. Trips are to be scheduled so as not to conflict with NPS-conducted activities.
 - c. Permittee will use official NPS trailheads and parking areas.
 - d. Permittee will ensure participants take an adequate supply of safe drinking water during hikes away from developed areas.
 - e. The area(s) authorized for use under this authorization must be left in substantially the same condition as it was prior to the activities authorized herein.
 - f. It is the Permittee's responsibility to obtain prior approval from landowners for access to or across private lands within the Park.
 3. **Vehicles:** Vehicles used to provide this service will be street legal and have current insurance, registration, and license in accordance with state law. The license plate will be properly affixed and displayed as required by state law.
 4. **Overnight Trips:** This permit does not authorize overnight stays.
 5. **Waste Management:** The Permittee will manage human waste to assure proper disposal at park toilet facilities or will provide its own portable toilets. In areas without toilets, solid (fecal) human waste will be buried at least 6 inches below ground in a vegetated area and urination must occur in vegetated areas away from the river and gravel bar. All other activity generated debris will be collected and disposed of outside of the park.
 6. **Damage to Natural/Cultural Resources:** The Permittee and their employees registered under this Permit will ensure that no visitor/client disturbs, climbs on, damages, or removes any natural/cultural resources, archeological or historic artifacts. Entering any closed area is prohibited by law.
 - a. If artifacts are discovered, the Permittee will ensure they are left in place undisturbed, and will immediately report the discovery to the Buffalo National River Cultural Resources office at (870) 365-2792 or to the Midwest Region Ozark Communication Center (MROCC) at (888) 692-1162.
 7. **Emergency Response:** All emergency situations such as accidents, fires, and search and rescues will be reported to the Midwest Region Ozark Communication Center (MROCC) at (888) 692-1162, at the earliest possible opportunity.
 8. **Operating Plan:** The Permittee is required to submit an Operating Plan to the National Park Service (NPS) summarizing the operations to be conducted, safety plan of action, previous experience, current certifications, guide qualifications, and a typical itinerary for the activity type. The plan is reviewed and approved/disapproved by the NPS. The

operating plan will be kept on file and will become part of the record regarding the performance of this Permit. However, it is a separate document and will not become part of the Permit. The operating plan will specifically include a safety plan of action the Permittee will implement in the event of accident or injury.

9. **Reports:** Monthly Activity Reports and an Annual Gross Receipts Report are required. Non-submission or late submission of any report may be grounds for suspension and/or revocation of the CUA.

10. **Liability Insurance:** The following liability insurance is required for this service:

- a. Commercial Comprehensive General Liability: The minimum amount of Commercial Comprehensive General Liability insurance required for this service is **\$500,000 per occurrence**.
- b. Automobile Liability: This insurance is required for all owned, non-owned and hired vehicles. The following **minimums per occurrence** apply as they relate to passenger capacities:
